

CONNECT WITH **AOPA** WHILE **SUN 'n FUN** YOU'RE AT

AOPA pilot community meets at the AOPA campus.

STOP BY THE AOPA CAMPUS

and visit with AOPA's ambassadors. Equipped to help you get answers to your aviation questions, our ambassadors are here to serve. Spend some time in the Program Pavilion learning about the latest in aviation safety and technology. Our campus is located on Laird Blvd. (next to the FAA building).

CONNECT WITH US AT THE AOPA TENT AND OUTDOOR DISPLAY

- Get the info you need to answer your questions from AOPA's ambassadors.
- Stop by for your FREE AOPA decal which includes our 2021 SUN 'n FUN special membership offer!
- Talk to our You Can Fly Ambassador (and Florida local), Jamie Beckett, to see what AOPA's You Can Fly program can do for you!
- See the AOPA Sweepstakes Tiger and check out the first round of equipment upgrades.
- Learn how to fly more affordably and more often, see how easy it can be to get back into the left seat again, and how to apply for our flight training primary and advanced rating scholarships at the Reimagined Cessna 152!

THE AOPA PROGRAM PAVILION

- Hear from AOPA's Air Safety Institute to help you be a better, safer pilot.
- Attend Rusty Pilots to start your journey back into the left seat.
- See how a flying club can be a fun, safe, affordable alternative to owning an aircraft.
- Hear about the latest technology from industry leaders.
- See how to turn your passion for aviation into a career!
- Learn how to recognize your limits.
- Hear exciting stories from those who've been in emergency situations!
