**AOPA** AIRPORT SUPPORT NETWORK

**ASN Volunteers: ASN Newsletter is back!**

**Dear ASN Volunteer,**

We're excited to announce the return of the Airport Support Network newsletter. In an effort capture the perspectives of some of our Airport Support Network volunteers, and to give you an opportunity to tell the other volunteers about your experiences, we have made space in the newsletter available for your contributions. An ideal submission will be between 200 and 400 words and contain a valuable message that other volunteers can learn from. Photos to accompany your submissions are welcome but we ask that you send the best quality photo available. Please share your experiences, your challenges, and your successes in your efforts to preserve your airport.

AOPA has brought Jolie Lucas onboard to help the ASN team write, edit, and publish the newsletters. Jolie Lucas is a Mooney owner, licensed psychotherapist, private pilot, and Founder of two grass-roots general aviation service groups, Mooney Ambassadors and the Friends of Oceano Airport. She is the 2010 AOPA Joseph Crotti Award recipient for GA Advocacy. Jolie is the Contributing Editor for AOPA Airport Support Network newsletter.

Jolie is ready to receive your submissions by email at [asnstories@aopa.org](mailto:asnstories@aopa.org). Send her your submission and you just may see it in an upcoming issue of the Airport Support Network newsletter!
