

RV CAMPING INFORMATION

AOPA Fly-In ~ University of OK Westheimer Airport ~ Sept. 8-9, 2017

RSVP to camp by visiting www.aopa.org/oun and following the links to RSVP to attend the Fly-In. Select camping as an option (\$10 flat fee) as part of your registration. **Camping will *only* be available Thursday, Friday, and Saturday nights for those who have registered and paid for camping. Arrivals before Thursday will be handled per normal airport/FBO operations, and you will be responsible for securing your own lodging off airport property.**

Camping Area

RV camping will be located in the grass in a designated area shown below within the yellow box. Upon arrival, follow signs and volunteers to the camping area. Please check in with Erick Webb at the Tickets & Information tent (marked by the green circle) to be sure you are in the correct location before final setup, or you will be asked to relocate if not in the proper area. Please park closely to allow as many others to camp as possible. When you register and pay, you'll receive a "C" (for camping). Please print it and place in a visible location on your vehicle (not necessary to attach with tape; it can be placed in the dash/windshield area or other visible location. A confirmation email will be sent approximately 1 week before the fly-in.

Campsite Rules and Responsibilities

- **Pets are NOT permitted in the camping area.**
- Alcoholic beverage consumption is prohibited in the camping area.
- Smoking is prohibited in the camping area.
- Coolers must remain secured at your campsite location.
- This is “primitive camping,” so please be prepared for your personal comfort.
 - Ice will not be available at the fly-in, so please plan to provide your own.
 - Portable restroom facilities and handwashing stations will be provided.
 - Shower facilities may be available with limited hot water capability, but will have limited access due to their location inside the airport fenced area.

Fire Safety

University of Oklahoma strictly prohibits wood campfires and charcoal grills anywhere on airport property and in the aircraft camping areas.
